8. (PARTICIPANTS) Participants doing fish-in past 01:00 AM (on fish-in day) will be fined 5% of the ticket multiplied by the total number of participants. Failure to pay the fine results in disqualification without exception, and tickets are non-refundable.
9. (COMMITTEE) The committee must coordinate fish-in hours with the association or the judges on duty.

K. EVENT APPLICATION REGISTRATION FEES

EVENT CATEGORY	FEE
JOINT TRAINING SESSION / LATBER	IDR 200,000
MINI CONTEST	IDR 250,000

EVENT CATEGORY	FEE
REGIONAL	IDR 300,000
NATIONAL	IDR 350,000

L. APPEAL PROVISIONS

1. Appeals may only be submitted in accordance with the schedule and time limits set by the organizer.
2. Participants must fill in the appeal submission form / Google Form online within the stipulated time range. Submissions made after the deadline are declared invalid and will not be processed.
3. A submitted appeal cannot be withdrawn, cancelled or changed by the participant for any reason.
4. Appeals may only be submitted by fish with a maximum difference of 9 (nine) points from the highest score in the same class.

Example: if the highest score in a class is 90 points, only fish scoring at least 81 points are entitled to appeal.

Fish scoring below that threshold are not entitled to appeal, and any appeal submitted will be automatically rejected.

5. Participants submitting an appeal must attach a video recording of the judging, particularly for appeals of session 1 (one).
 - Video recording is not required for session 2 (two) appeal submissions.
 - Videos must be separate for each judge (1 video per 1 judge).
 - Videos must not be merged, cut, manipulated or edited in any form; violations will incur sanctions from the organizer.
6. The appeal process is conducted via live broadcast on Instagram involving the participant and the judges.
 - During the live session, participants and their supporters must not create commotion, provocation or any action disrupting the appeal process, whether through the comment section or other media.
7. The organizer does not serve face-to-face appeals or appeals submitted at the contest venue.
8. Appeal decisions determined by the judges and the organizer are final, binding and incontestable.
9. The organizer is entitled to refuse, cancel or not process appeal submissions that do not meet the provisions.

M. GRAND CHAMPION AND WINNER POINTS

Regarding points accumulated under the Indonesia Channa Contest regulations, pursuant to the regulatory decision:

1. 1st Place: 6 points
2. 2nd Place: 3 points
3. 3rd Place: 1 point
4. Grand Champion: 10 points

Anything outside these provisions does not count toward point accumulation at running events.

N. JUDGE PROFESSIONAL CODE

1. MAINTAINING NEUTRALITY TOWARD PARTICIPANTS' FISH

Judges must treat all participants' fish equally and are prohibited from granting privileges or special treatment outside the contest provisions established by the ICC.

2. CONSISTENT JUDGING DURATION

Judges must apply a uniform and proportional judging duration to every tank. Differences in judging time must not be caused by factors that could advantage or disadvantage any particular participant.

3. PROHIBITION ON MANIPULATING ASSESSMENT RESULTS

Judges are prohibited from altering, adding to, reducing, or manipulating the assessment scores posted on tanks. Judges proven to have cheated in scoring will be dishonorably discharged from their duties as ICC judges.

4. SEPARATION OF JUDGING AND APPEAL SCHEDULES

Judges are prohibited from asking or pushing the committee to schedule judging sessions and appeal sessions on the same day. Both processes must be given adequate time gaps to preserve objectivity and professionalism.

5. SUPERVISION OF FISH WARM-UP

Judges must remind and direct the committee to supervise participants who warm up, stimulate, or treat fish outside the official ICC provisions.

6. REASONABLE APPEAL SUBMISSION WINDOWS

Judges are prohibited from asking the committee to set appeal submission deadlines at unreasonable times, including midnight, or to give overly short timeframes that could hinder participants' right to appeal.

7. APPEAL OUTCOME EVALUATION

Judges whose appeal evaluation outcomes or reports show an error rate of more than 50% will undergo special evaluation and may be sanctioned with a demotion of judge assignment level or scale from their previous assignment level.

8. COMPLIANCE WITH TRAINING OUTCOMES AND CODE OF ETHICS

Every judge must comply with all regulations, judging standards, directions, and provisions agreed upon during training. This includes judging procedures, assessment standards, ethics in carrying out duties, and other provisions, whether written or professionally agreed upon. Every violation will be followed up in accordance with the consequences and sanctions established by the ICC.

O. ORGANIZER PROFESSIONAL CODE

1. MAINTAINING EQUAL TREATMENT

The entire committee must treat every participant's fish and team equally. Special measures are only permitted under specific conditions requiring handling, such as lighting disruptions, unhealthy fish, fish jumping out of containers, or other technical circumstances that may affect fish safety. Any measure taken without accountable justification may be categorized as unsportsmanlike conduct and a violation of organizational integrity.

2. PROHIBITION ON INTERVENING IN JUDGING RESULTS

The committee is not permitted to alter, reduce, add to, or manipulate scores given by judges, whether on score sheets, tank systems, or online point acquisition systems. If proven to have manipulated assessment results, the committee may face disciplinary sanctions up to revocation of organizing rights and blacklisting from cooperation with the ICC.

3. SEPARATION OF JUDGING AND APPEAL SCHEDULES

The committee must arrange judging and appeal processes at separate times. Judging and appeal sessions must not be held on the same day, in order to preserve objectivity, allow sufficient time for evaluation, and avoid pressure on participants and judges.

4. SUPERVISION OF FISH TREATMENT BEFORE JUDGING

The committee must supervise participant activities relating to fish condition and preparation before entering or while inside the contest area. Any warming up, stimulation, or treatment of fish conducted outside the official ICC provisions must concern the committee and may be acted upon under applicable regulations.

5. APPEAL SUBMISSION TIME PROVISIONS

The committee must set appeal submission times reasonably and give participants adequate opportunity to file objections. Appeal deadlines must not be set at inappropriate times, such as midnight, nor given in overly short timeframes that could hinder participants' right to appeal.

6. PROHIBITION ON PRESSURING JUDGES

The committee is not permitted to pressure, instruct, or intervene with judges in order to speed up judging or appeal settlement. Judges must be given sufficient time to examine, assess, discuss, and decide objectively in accordance with ICC regulations.

7. MAINTAINING INDEPENDENCE AND ORGANIZATIONAL INTEGRITY

The entire committee must maintain professionalism, transparency, neutrality, and integrity throughout the contest. Any action potentially benefiting certain participants or teams, influencing judges' decisions, or disrupting competition objectivity may be considered a violation of the ICC organizer code of ethics.

8. SANCTIONS FOR VIOLATIONS

Every violation of committee provisions may incur disciplinary measures based on severity, ranging from warnings and organizational evaluation to revocation of certain authorities, up to blacklisting organizers from Indonesia Channa Contest (ICC) agendas or cooperation.

P. PARTICIPANT PROFESSIONAL CODE

1. PROHIBITION ON SPECIAL TREATMENT OF FISH

Participants are prohibited from giving special treatment, stimulation, or measures to fish that are not regulated under the official ICC provisions.

2. REGISTRATION AND FISH-IN PROVISIONS

Participants who have registered but fail to carry out the fish-in process as stipulated shall have their registration points and registration fees declared forfeited, non-refundable and non-transferable.

3. PROHIBITION ON MANIPULATING ASSESSMENT RESULTS

Participants proven to have cheated or attempted to manipulate, alter, or replace the assessment scores posted on tanks will be disqualified from the competition.

4. OBLIGATION TO COMPLY WITH REGULATIONS

Every participant must comply with all regulations, schedules or event rundowns, and provisions established and communicated by the ICC committee.

5. PROHIBITION ON PRESSURING JUDGES

Participants are prohibited from pressuring, urging, or intervening with judges in order to influence or raise fish scores. Once a judge has explained based on fish condition and applicable regulations, participants must respect and accept the decision through the established mechanism.

6. PROHIBITION ON WARMING UP FISH OUTSIDE REGULATIONS

Participants are prohibited from warming up, stimulating, or treating fish outside the procedures stipulated in the official ICC provisions.

7. MAINTAINING SMOOTH JUDGING AND APPEALS

Participants are prohibited from disrupting, hampering, or intervening in judging and appeal processes outside the mechanisms and procedures established by the ICC.

8. PROHIBITION ON COMMOTION AND INTIMIDATION AGAINST JUDGES

Participants must maintain conduct, ethics, and order during competition. Participants are prohibited from creating commotion, intimidating, threatening, or committing disgraceful acts against judges, whether verbal or physical, including insulting, speaking in a raised tone, behaving impolitely, making threats, and physical contact.

9. SANCTIONS FOR VIOLATIONS

Every participant violating the above provisions may be sanctioned according to the degree and form of violation, ranging from warnings and point reduction or cancellation, up to disqualification from the competition, as decided by the committee under ICC regulations.
